- Create a post for your Facebook page and tag **@nwpilotproject** or share a **@nwpilotproject** post about this pizza opportunity on April 21<sup>st</sup>, that way we know that you have participated.
- If social media isn't your thing, email Lindsey Leason, Development Coordinator at [lindseyl@nwpilotproject.org](mailto:lindseyl@nwpilotproject.org) to let us know how you have participated.
- We have even created an image for Facebook to help you spread the word. Feel free to copy and paste it to your page!

## Fundraising Idea:

Email your friends or post on Facebook on Tuesday, April 21st to remind them about this great donor opportunity available the following day (Wednesday, April 21st). Make sure to include a link to your personal fundraising page or team page in your email or Facebook post.
